

The first system of the musical score consists of four measures. The treble clef staff contains notes with stems, some colored black, red, yellow, or cyan, and some marked with a red dot. The bass clef staff contains notes with stems, some colored black, red, yellow, or cyan, and some marked with a black dot. The letter 'A' is written in a box above the treble staff in the first and third measures, and above the bass staff in the second and fourth measures. A blue rectangle is present in the first measure of the bass staff.

De Heer is mijn herder

The second system of the musical score consists of four measures. The treble clef staff contains notes with stems, some colored black, red, yellow, or cyan, and some marked with a red dot. The bass clef staff contains notes with stems, some colored black, red, yellow, or cyan, and some marked with a black dot. The letter 'A' is written in a box above the treble staff in the second and third measures, and above the bass staff in the fourth measure. A blue rectangle is present in the second measure of the bass staff.

The image shows a musical score on two staves, treble and bass clef. The score is divided into four measures. The notes and blocks are color-coded and some have specific markings.

- Measure 1:** Treble clef has a red block. Bass clef has a red block with a black dot above it.
- Measure 2:** Treble clef has a black block, a white box with 'A', and a red block. Bass clef has a red block with a black dot above it, a red/green diagonal block with a black dot above it, and a green block with a black dot above it.
- Measure 3:** Treble clef has a yellow block with a red dot above it, a red block, a black block, and a red/green diagonal block. Bass clef has a brown block with a black dot above it, and two cyan blocks with black dots above them.
- Measure 4:** Treble clef has a white box with 'A', a red block, and a red/green diagonal block. Bass clef has a yellow block with a black dot above it, a black block with a black dot above it, a cyan block with a black dot above it, and a white box with 'A' containing a black dot above it.

The final measure shows a red block with a black dot above it in the treble clef, and a large black block with a white circle above it and a red block with a white circle above it in the bass clef.
